POOLING TOGETHER

with other MASC organizations means...

... cost stability and lowered risk.

The MASC Group Insurance Trust is fully underwritten through **Blue Cross Blue Shield of South Carolina**, giving you premiums based on your employees' experience, plus long term rate stability and more predictable renewals.

... better benefit options.

Together, MASC organizations can access benefit options that may not be available to you as an individual employer.

... using powerful and intuitive tech.

The MASC Group Insurance Trust utilizes **Benefitsolver** for eligibility and enrollment. Enter all benefits information into a *single system* and receive a *single Invoice* for all lines of coverage.

...saying goodbye to service hotlines.

MASC partners with **Capstone Administrators**, so you'll have a dedicated Account Manager you can contact directly with any plan questions.
